RILO
Shower tray

TECHNICAL SHEET

Features

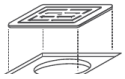

Textured surface: anti-slip, antibacterial and UV-resistant

Repairable surface

Can be cut to size in length, up to the maximum size

Accessible siphon for easy cleaning

Tray thickness: 3 cm

Specifications

Type	Gel-coat shower tray
Colour	White
Grate	Grate across the width at one end, finished in the same colour and texture as the tray
Grate size	width 70: 60×11 cm · width 80: 70×11 cm · width 90: 80×11 cm
Thickness	3 cm
Approx. weight	35 kg/m²
Cut to size	Length only
Cut-outs	No

Available sizes (cm)

Width	Length (10 cm steps)
70	100–200
80	100–200
90	100–200

Drain position (cm)

C \ D	100	120	140	150	160	170	180	190	200
70	10 35	10 35	10 35	10 35	10 35	10 35	10 35	10 35	10 35
80	10 40	10 40	10 40	10 40	10 40	10 40	10 40	10 40	10 40
90	10 45	10 45	10 45	10 45	10 45	10 45	10 45	10 45	10 45

A = distance to the drain along the length · B = distance to the drain along the width · C = width · D = length. Values for standard sizes; for intermediate sizes, A and B correspond to the next larger size. – = size not available.
